

RoHS

COMPLIANT

3/8" Square Multi-Turn Cermet Trimmers

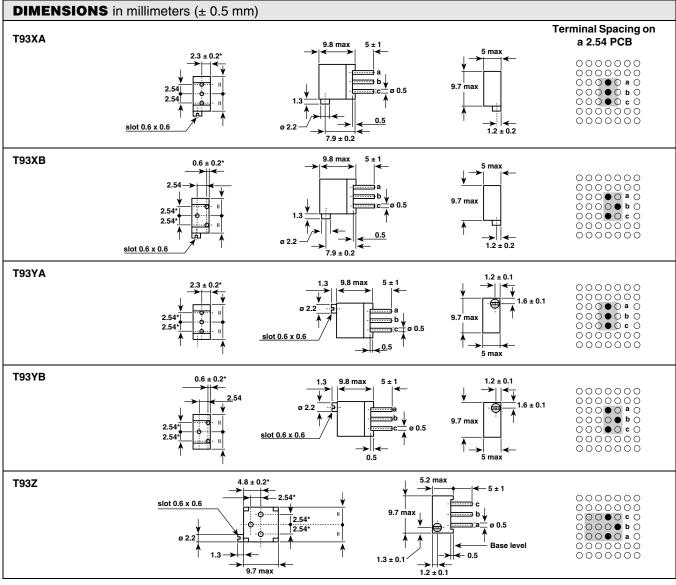

The T93 is a small size trimmer - $3/8" \times 3/8" \times 3/16"$ - answering PC board mounting requirements.

Five versions are available which differ by the position of the control screw in relation to the PC board plane and by the spacing of the terminals.

Excellent operational stability is provided by the use of a cermet element.

FEATURES

- Industrial Grade
- 0.5 W at 70 °C
- Tests according to CECC 41 000
- Contact resistance variation < 1 %
- Lead (Pb)-free and RoHS compliant

Note

* to be measured at base level
