

Inspection cameras MASTERVISION EGA Master

EGA Master S.A.
ART IN INNOVATION

MASTERVISION MINI

Equipped with Wifi technology.

Mastervision Mini REC
equipped with Card slot
for recording.

Mastervision Mini 2,36"
TFT-LCD color screen

Mastervision Mini REC
3,5" TFT-LCD color screen

Cable total length: 1m up
to 9m with extensions.

Accessories:

- code 60075: 45° mirror
- code 60076: hook
- code 60077: magnet

1mm extension
code: 60069

16mm camera head
code: 60070

9mm camera head
code: 60071

Include:
4GB
memory card.

Battery for the screen	Ion-Lithium battery			
Charge time	3h		6h	
Battery operation time	2h		3h	
Video output	•			
Recording system	Micro SD 4GB included (up to 16GB)		-	
Compression format	JPG / AVI		-	
Wok temperature	-10°C ≤ T ^a ≤ 50°C // 14°F ≤ T ^a ≤ 122°F			

- Included
- No included

MASTERVISION ECO

TFT 7" color screen
320x960 pixel.
Anti-dazzle system.

USB

Mastervisión REC includes
USB recording system.

Remote control.

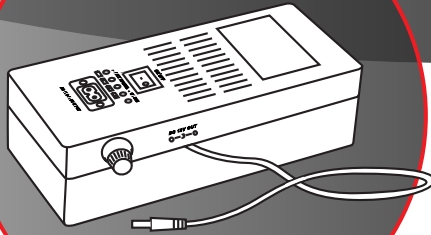

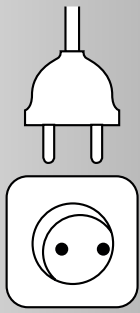

60060 20m cable.
60061 30m cable.

Marked each meter to
know the exact position
of the obstruction.

INOX camera Ø26mm with 8 LEDs
with adjustable lighting.

MASTERVISION REC

Two use possibilities, connected to power supply or with battery.

Anti-impact case and watertight.
