

BAE TO-XE-012-01
BAE00WH

Electrical data

Tension de sortie	24 VDC
Type de pile	Accu LiPo 9 V, 600 mA

Environmental conditions

Classe de protection IEC 60529	IP40
--------------------------------	------

General data

Homologation / conformité	CE
---------------------------	----

Utilisation
Version

Capteur 3 fils DC PNP/NPN
Testeur capteur

Material

Matériau du boîtier	Plastique
---------------------	-----------

Mechanical data

Dimensions	61 x 22 x 106 mm
Poids	96.00 g
